EARLY CHILDHOOD CIRCULAR 4 / 2015 – INFORMATION SEMINARS
20 April 2015

If you are an early childhood teacher or an employer of early childhood teachers, here is an opportunity for you to find out important information about becoming registered. Information seminars about early childhood teacher registration will be held during May and June from 6pm in metropolitan and regional locations.

All qualified early childhood teachers who are employed or engaged as an early childhood teacher in a Victorian education and care service or a Victorian children’s service need to be registered with the Victorian Institute of Teaching from 30 September 2015.

These seminars will help to ensure that you fully understand the requirements for registration, and give you the opportunity to meet Institute staff and ask questions. Even if you are not currently working as an early childhood teacher but intend to do so in the future, I recommend you attend.
