

Carpark Guide - Sandringham

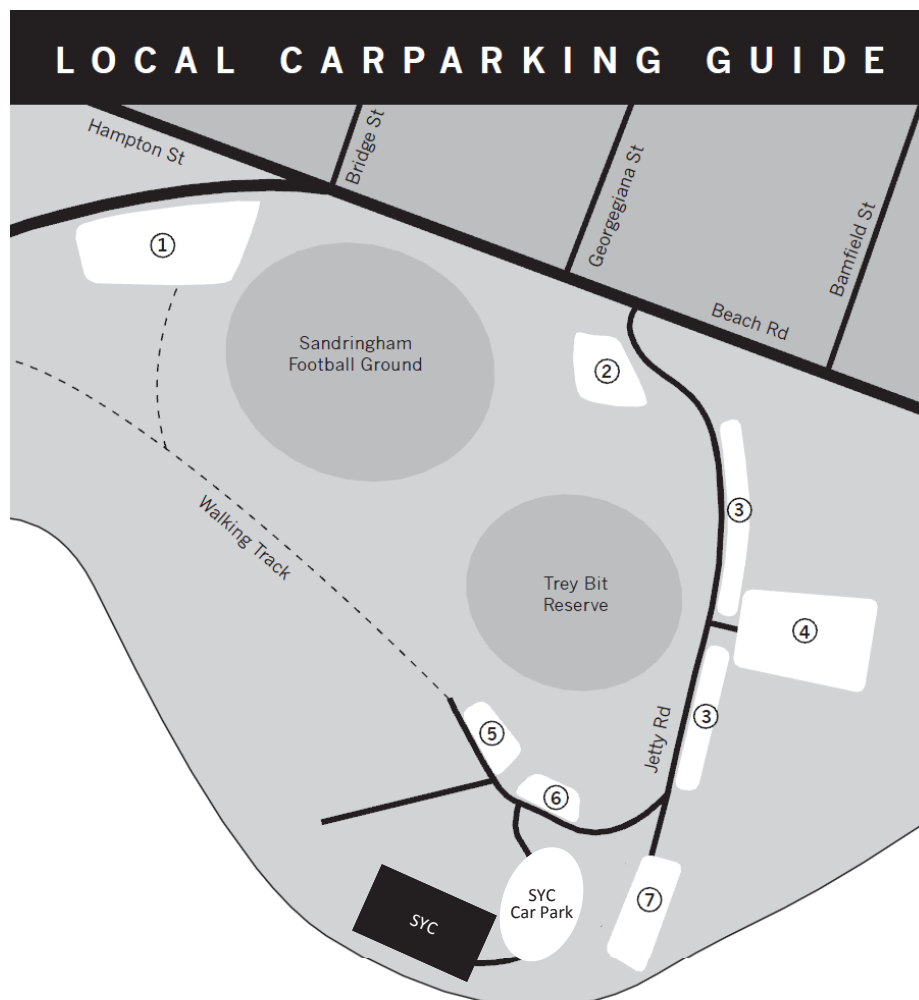

VENUE ADDRESS

Sandringham Yacht Club: Jetty Road, Sandringham

PARKING INFORMATION

The central parking section (79 spaces) is open to any guest of the club (non-members). This parking is available on a 'first come first served' basis and cannot be guaranteed. If you cannot get a park in the SYC guest parking, you will be required to park in the council parking outside the SYC gates. Parking is \$5.30 p/hr or \$16.80 all day. You will need coins or a credit card to park, unless you are a Bayside Resident with a current Bayside parking permit on your window (then you are able to park for free). Anyone with special needs can enter via the boom gate and be dropped at the front door, while the driver then parks in the SYC guest parking or council parking.

Please refer to map below.
