MEET THE CEO

The VIT has a very important role in regulating the teaching profession.

Firstly we focus on the professional practice of teachers, the competence of teachers and secondly we focus on the conduct of teachers, ensuring that the conduct of all of our teachers meets community expectations and provides for the well-being and safety of children.

I'm excited to take on this role. I think it brings together my experience as a regulator working in Maritime and Transport Safety for the past 12 years, together with my experience as a teacher.

I spent three and a half years working in a secondary school in country Victoria and I think that insight into how a school operates, together with my experience as a regulator will really help me be successful in this role.

I'm Peter Corcoran, Chief Executive Officer of VIT.
